SUBJECT: Brigade Medical Readiness

1. Purpose. Medical Readiness Guidance
2. Standards

A. Medical Readiness Requirements and Procedures

1. Components of Brigade Medical Readiness

- a) Immunizations
- b) Dental readiness
- c) Vision screening
- d) Hearing readiness
- e) Current HIV test
- f) Current physical exam

2. Requirements and Procedures to maintain high readiness rates

- a) Each medical platoon/section will designate a medical readiness NCO, in writing, to track medical readiness and provide readiness information to the unit's they provide medical care for.
- b) The readiness NCO will provide 1SGs in their unit with a report each month covering all the readiness components in 2.A.1 above.
- c) It is the responsibility of the 1SGs to ensure their Soldiers schedule appointments and take care of any readiness deficiencies in their unit.
- d) Medical readiness NCOs will also provide a copy of their monthly reports to the Brigade Surgeon cell in order to provide the Brigade commander with the most current medical readiness information.
